

JC62 Conical Filters

This much smaller filter is best suited to smaller capacity normally aspirated engines. These are typically used on Formula Student cars.

Part	A	B	C	D	E	F	G
Number	Neck ID	Neck OD	Spinning Diameter	Spinning Height	Foam Height	Total Height	Top Diameter
JC62/60	60	61	100	20	150	170	65
